# ***PRESIDENT'S MESSAGE***

**To our parents, players, families, friends and supporters....**

Welcome to the **2018-2019** SEAC Season!

We are excited to get the season started and watch everyone of our players grow on and off the ice throughout the season.

SEAC is once again committed to offering a quality program with a strong coaching staff and effective support services, such as Coaches Edge, King of the Crease, ASDC and Platinum Star Power Skating.

We appreciate all the community support around the SEAC program. The sponsors, who are such an important part of our program, Medicine Hat Tigers, Medicine Hat Hockey Hounds and many others. A big thank you to our local media, volunteers and the many dedicated hockey fans.

The SEAC program builds on giving back to the community. Again, this year SEAC Day – October 13 will allow us to host Medicine Hat Minor Hockey's Tim Bit players with a morning of skills and fun. Our teams will be doing community events throughout the season.

A big thank you to our families for supporting the program and rallying around the players!

We hope this year will be a GREAT year for your kids and we hope you all enjoy the season.

**Warmest Regards,  
SEAC Board of Directors**

November 6, 1018

MHMHA is very proud of our SEAC group and how far the teams have come in their on-ice and off-ice development. With a strong support system in place full of highly motivated and hardworking volunteers mixed in with support from the players families our teams are seeing the results of all their hard work pay off. The kids are training harder in video sessions, off ice work out sessions, nutrition and sports psychology sessions then they ever have and the translation from that work to on ice success comes as no surprise to our association. We wish the kids all the best this season and we are hopeful that they take their responsibilities as positive role models to our younger players to the next level as well. Sticking together and doing the right things will lead us all down the path of success as a unified group, keep up the grind SEAC Tigers and all the best the rest of the way.

Regards,

Kris Schultz  
GM  
MHMHA

# MIDGET 15 COACHING STAFF

HEAD COACH  
**CHAD BARON**

Chad is entering his 8th year coaching Medicine Hat Minor Hockey, where he started as an assistant in Pee wee CAHL. He has since moved up the ranks, spending at least 2 years coaching at Pee wee, Bantam and now the Midget level. He has played or coached hockey for 35 years. Chad was born in Leader, Saskatchewan and moved to Regina where he played all his minor hockey, at times playing for both his minor hockey and high school hockey teams. This gave him the opportunity to participate in 3 High School City Championships. He went on to play junior hockey with the highlight being a stint in a 21 & Under league based in Florida. From there he played senior hockey in Leader for 15 years, winning the league championship twice.

Chad is currently awaiting his certification for the NCCP High Performance 1 and is employed as a steamfitting coordinator and instructor at the Medicine Hat College. He celebrated the arrival of his 2nd child, Kendrick in early October with his amazingly supportive wife of 5 wonderful years, Shana, and their 4-year-old son Kemp. He is looking forward to the challenges ahead and is excited for the opportunity to develop these talented young hockey players both on and off the ice, helping them reach their full potential. He is driven by his passion for the game and sports in general. He is determined to teach his players the importance of hard work, discipline, dedication, determination, heart and being a team player. All things that are needed to be successful in sports as well as life.

ASSISTANT COACH  
**BRODY HAILWOOD**

Brody Hailwood is in his third year of coaching which is also his third year of being the assistant coach for the Tigers Midget 15 program. He was born and raised in Medicine hat where he played all his minor hockey. Brody played a year with the Midget 15's and then one year of Midget AAA. From there he went on to play with the Okotoks Oilers in the AJHL for one season before suffering an unfortunate concussion injury that forced him to retire early from contact hockey.

Brody is currently working for JaCar Energy Services and is planning to start his apprenticeship as a Heavy Equipment Technician. He is also a scout for his former team, the Okotoks Oilers. He is looking forward to a positive season and is excited to pass along the knowledge he has acquired over the years to help these players prepare for the next level.

ASSISTANT COACH  
**RUSSELL MORTLOCK**

Russell Mortlock was born and raised in Medicine Hat and grew up with two brothers and a sister. He has always had a passion for sports and was involved in many different teams as a youth including football, baseball, and swimming in addition to hockey. Russell developed as a hockey player within the Medicine Hat Minor Hockey Program, eventually playing two years of Junior in the KIJHL with the Beaver Valley Nitehawks. During his time there, his team won the Western Canadian Keystone Cup in his final season with the club. He returned to Medicine Hat for his final year of junior and played locally for the Medicine Hat Cubs.

Currently, he is employed at Canadian Fertilizer Industries where he has completed his Steamfitting/Pipefitting Apprenticeship through Medicine Hat College. Russell has always had a passion for coaching and hopes to continue to help develop young players within minor hockey for years to come.

ASSISTANT COACH  
**JESSE SIEBEN**

Jesse Sieben was born in Mackenzie, B.C. where he started playing hockey at the age of 5. At the age of 14, he was fortunate enough to make a team representing Western Canada that played in Europe. Jesse played 2 seasons of Midget AAA before moving on to play in KIJHL in B.C. From there, he began coaching at the age of 19. He started off with the younger age groups, coaching Tykes and Atom in his first couple years, then moved up to help coach the local Midget AA team. He moved to Medicine Hat in 2012 and immediately got involved with minor hockey here. He helped coach Bantam CAHL then moved up to Bantam AA the following year. He is currently employed at Goodyear as a journeyman Steamfitter.

Jesse believes that in order to be successful you need to play as a team and have a "team first" mentality. He is excited to help these players learn exactly what that means and to help them achieve their goals throughout the season.

## Need Contacts For Sports? Your First 10 Pairs Are FREE

If you're 18 or under, your eye exam is **FREE**.

Here's why you should choose ClearView EyeCare:

1. If you tear it, lose it or break it, we will replace it for free. If your prescription changes within a year, we'll exchange any lenses you have left for your new prescription.

2. If you don't like the type of contacts you bought, we'll exchange the value for something that works for you.

3. If you decide contacts aren't for you, we'll apply what you've paid for lenses towards a new pair of sunglasses or glasses.

Call ClearView EyeCare @ **403.526.2285**  
to book your appointment today.

# BANTAM AAA COACHING STAFF

HEAD COACH

**JASON BARTRAM**

Originally from Brandon, Manitoba Jason has been coaching for the past 19 seasons in our city. Most recent coaching experiences include four seasons at Bantam AAA, Midget AAA Tigers and the Medicine Hat Junior B Cubs of the Heritage Hockey League.

When not coaching hockey, Jason also coaches baseball for the past 17 seasons. During this time, he feels very fortunate to have coached Team Alberta in three National Championships, twice winning Bronze medals.

Jason is married to Sandie and they have three children, Keegan, Ethan and Taryn.

ASSISTANT COACH

**JAMES KING**

James has been coaching for the past 12 years in various sports. He most recently was the Head Coach for the Pee Wee AA Provincial Champions. He also spent 2 years coaching in the Lethbridge Female Elite program as an assistant coach.

Away from the rink James enjoys playing baseball and golf. He is married with triplet daughters and a son who are all involved in multiple sports.

James is excited to be joining the SEAC Bantam AAA Tiger coaching staff for the upcoming season.

ASSISTANT COACH

**JOHNNY STEHR**

Jonathan, or Johnny he prefers, was born in Medicine Hat and has two older brothers. He grew up on the family farm just north of Irvine. Johnny is a product of Medicine Hat Minor Hockey, having played his way through the rep system before joining the Medicine Hat Junior B Cubs for a single season. With his complete playing days behind him, he got his start in coaching during the 2012-13 season with the Minor Midget AAA Hounds, and joined on with the Bantam AAA SEAC Tigers the following year. Hockey has always been a passion that continues to this day. He still plays rec league and ball hockey in his spare time.

## DEDICATED TO THE PROMOTION AND DEVELOPMENT OF HOCKEY IN MEDICINE HAT AND AREA

The Medicine Hat Hockey Hounds were formed in 1970. Over the past 46 years, the club has donated millions of dollars to the hockey community and Medicine Hat at large for a variety of causes. The club donated \$15,000 to supply every arena in Medicine Hat with defibrillators for the safety of not only the players, but every person visiting an arena. Every year the Hockey Hounds sponsor minor hockey in Medicine Hat and area, from Timbits including Sledge Hockey, right up to the Junior B Cubs. The Hounds also work hand in hand with Medicine Hat Minor Hockey handling hardship cases where registration fees are paid for less fortunate families so the children have the opportunity to play. The Hockey Hounds also distribute athletic scholarships to the college and highschools in Medicine Hat each year.

The showcase event for the Hockey Hounds is the Annual Major Bantam Tournament held each fall in November. The tournament features the top teams from Western Canada and sometimes from the United States. The tournament is into its fourth decade in existence and many of the game's top stars have at one time competed in the event.

The Hockey Hounds are pleased to once again be associated with the Medicine Hat Tigers. Through our Tigers sweater draw, the Hockey Hounds assist in raising monies for the Tigers Education Fund for graduating players who elect to pursue a post-secondary education.

# SEAC TEAM SUPPORT SERVICES

GOALTENDING COACH  
**MATT WONG**

Matt Wong is entering his 10th season as a goaltending coach in Medicine Hat. Using his background in goaltending, h3 founded King of the Crease Goaltending in 2009 after a successful Junior A career.

He was a runner up for the Rookie of the Year in the AJHL and was twice named BCHL All Star as a member of the Victoria Grizzlies and the Alberni Valley Bull Dogs. He is also the current goaltending coach for the RBC Cup host Brooks Bandits.

COACHES ASSISTANT/VIDEO OP  
**JASE FLEURY**

Born in Red Deer, Jase Fleury began his hockey career at the age of 8 in the Medicine Hat Minor Hockey system. Jase played a key role for last year's playoff-qualifying Bantam AAA SEAC Tigers, earning the team's Most Dedicated Player award in the process. An unfortunate knee injury sustained during ball hockey provincials in the summer will prevent Jase from competing with the Midget 15's this season. While rehabbing from knee surgery, Jase is serving as a coaching assistant and the primary video operator for the club. Jase's relentless work ethic will be a great asset to the team as he gets an early start on his coaching career.

## ALBERTA SPORT DEVELOPMENT CENTRE (ASDC-SOUTHEAST)

The Alberta Sport Development Centre – Southeast believes that by working together as athletes, coaches, parents, and organizations, we can create the best athletes in our province.

The ASDC-SE works with athletes using a holistic approach. We offer expert services in three distinct areas. These include strength and conditioning, mental skills, and sport nutrition. We are excited to be a part of the SEAC program. We are dedicated to the success of the program, and want to see great things happen this year!

## PLATINUM STAR POWER SKATING

Platinum Star Power Skating is a team of certified, professional coaches who possess a great depth of knowledge and experience from our varied backgrounds of power skating, kinesiology and professional hockey. We are honoured to work with SEAC.

Gay N. Dubeau, is the founder/operator of this company. She is a Master Course Facilitator and Program Developer for Skate Canada and travels throughout Alberta, British Columbia and Saskatchewan certifying coaches to "teach" power skating. We offer opportunities to teams, small groups and private individuals for power skating bio-mechanics, stick handling and shooting. It is our goal to stay current and deliver each and every session with PASSION!

SEAC would like to congratulate Gay on her recent induction in the Medicine Hat Sports Wall of Fame!

## SKATE SHARPENING GORD HEROD

Skate sharpening services are provided for all players during the season. Gord joins SEAC for his third season. Thank you Gord for your continued service!

# SEAC HISTORY, MISSION STATEMENT AND VALUES

## HISTORY

The SEAC Board is comprised of individual members with experience in the various fields of knowledge necessary to ensure the proper stewardship of high performance hockey in south-eastern Alberta. These fields include, but are not limited to, academia, ethics, law, education, sport, policy development, corporate management and governance. The board does not represent any one group or sector. Rather, it is a board comprised of a variety of people that reflect the diversity of backgrounds in our community, in hockey and in our country.

***If you want to build a ship, don't drum up the men to gather wood, divide the work and give orders. Instead, teach them to yearn for the vast and endless sea.***  
**- Antoine de St. Exupéry**

Through thoughtful exchanges on shared values, SEAC will work towards meaningful competition and player development. SEAC, with the support of the various supporting bodies that conduct work in and around sport, will work to develop and elevate the culture and conscience of hockey in our community.

SEAC will be guided in principle by the use of ethical debate to create an environment for meaningful dialogue around the future of high performance hockey, based on commonly agreed upon principles of right and wrong. SEAC will also strive to shape public understanding of how we should behave and train when we compete. *\*Adapted from Canadian Centre for Ethics in Sport*
